## 19"-Rackmount for LANCOM-devices

- Fits with all LANCOM devices in the new housing
- Uses one height unit in a 19" rack
- Easy to mount
- Stable metal carrier

The LANCOM firewalls, routers, VPN gateways and access points fit smoothly into your available network infrastructure. The LANCOM rack mount option enables a space-saving, professional equipment storage for all 19" racks. In your rack merely one height unit is needed to let the LANCOM device, cable and power supply 'disappear'.

# 19"-Rackmount for LANCOM-devices
